## Last Day of Term 2

Next Friday 25th June, is the last day of Term 2. School will finish at 2.15pm, with an assembly for students at 2.00pm.

**We have been advised that PTV will NOT run a bus at the earlier finish time. Students who normally catch the bus home will need to be collected from school at 2.15pm.**

We have no control over this decision, any questions should be made to PTV directly.

## Day

**When:** Friday the 25th of June (last day of school)

**What:** Wear your pyjamas or something comfy for a gold coin donation.

We will also be selling packets of popcorn to eat during the movie. You can purchase a packet of popcorn for 50 cents each.

All donations from the day will go towards buying some new decodable readers for our school.

# Weekly Awards

## **Student of the Week Awards will be presented to:**

**Ana Zmejcosa** for being a supportive friend to others by helping them solve problems. Well done, Ana!

# Principal's Report

Term 2 has come to an end. It's been full of challenges, which together, we've overcome!

Congratulations to all students in Eureka House (yellow) on winning the term – super effort!

I would like to send out a big congratulations to Chase Fowler who played his 50th game of football for Wallan last weekend. What an achievement – well done Chase!

As the term comes to an end I'd like to recognise the incredible efforts of the staff here at UPPS.

They have again, adapted to changes due to COVID. They have continued to engage in professional learning throughout the term to improve their professional practice and have worked together to provide support and care to our students in a caring environment. The dedication they have shown has been outstanding and I am so very grateful to be able to work with such a wonderful team of professionals!

Our 3 way conferences are in progress today and our staff are looking forward to sharing the successes of our students with their families. Any family members who have been unable to participate today can contact their child's teacher to arrange an alternative time.

Just a reminder that we are still running under COVID guidelines. This means that all people entering the school MUST 'check in' using the QR code. Masks MUST be worn inside any buildings. Please remember, that if your children are late, they must call in to the office before going to their classroom and parents/carers must accompany them or phone the office to let them know that they have arrived. We appreciate your support with this.

As we come to the end of the term I would like to thank our student leadership team, led by Mikaela and Campbell, for the incredible job they have done this semester. They have been reliable and responsible and supported myself, the staff, and our students really well. They should be very proud of their efforts and the commitment they have displayed. THANK YOU!!!

As the term comes to an end, I would like to wish our families a safe and happy break over the next two weeks. Thank you for the support and love you give to your children. Remember to be kind.

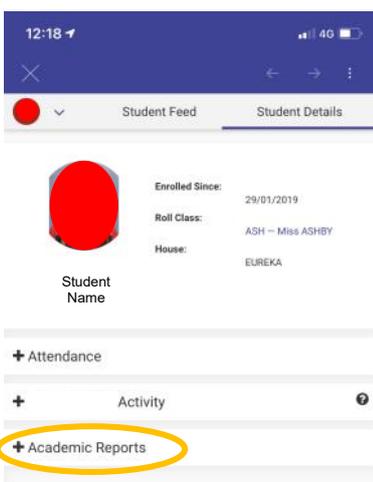

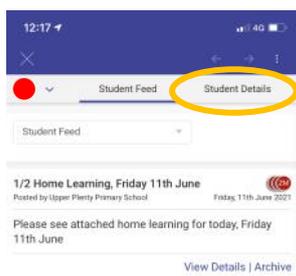

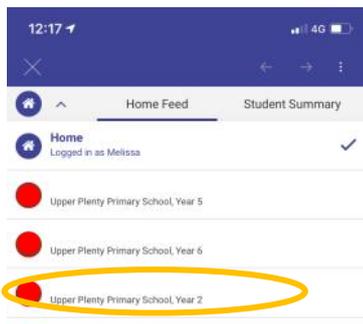

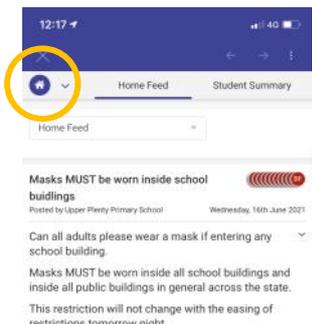

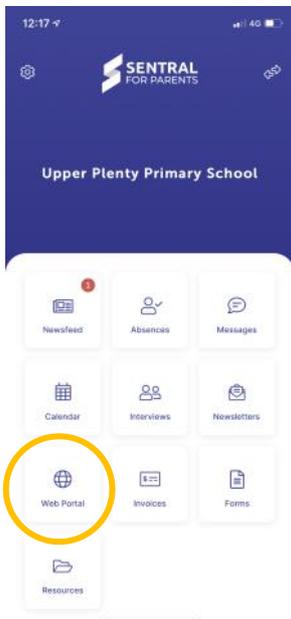

Sue Egan

## SCHOOL WISE POSITIVE BEHAVIOUR SUPPORT

### This week's SWPBS Value is Resilience.

Students have learnt what the term being a good sport means. Students have discussed the benefits of what being a good sport looks like, but also what can happen if we don't show good sportsmanship.

Some important elements of being a good sportsman include: avoid arguing, shaking hands, playing fairly, following the rules, allowing everyone a chance to place, encouraging teammates, respecting the other team as well as the umpire's decision.

As many of our students play a sport outside of school, it is important that parents help encourage this behaviour daily in all individual and team sports, to ensure they have a safe and fun sporting experience.
