Principal's Report

Congratulations everyone on getting through a very tough term! What a fantastic effort you've all made! Thank you to our super staff, our students and our family members for all of their hard work, patience, resilience and support of each other this term. In these unprecedented times, we have all stuck together and helped each other. I am so very proud of our UPPS community – THANK YOU!!!!

Our teachers ran their interviews through WebEx this week, and everything ran smoothly. Please remember that if you have any questions or concerns about your children, don't hesitate to contact us.

The department has given us the 'go ahead' for camps and excursions and this is wonderful news. We are very excited to be conducting our 3/4 and 5/6 camps next term. Expression of interest forms have been sent home so we can book places and organise transport – please return your form promptly if wish your children to attend.

The building works are almost finished – the concrete sleepers are all in, the path has been repaired and they are working on the fence this week. Hopefully this will all be complete and ready to go when return in term 3.

Thank you for all of your support in this strange new times. Let's hope that when we return in term 3, our world may be returning to some kind of normal. I would like to wish everyone a safe and happy time.

Please stay safe. Be kind. Hug your families.

Sue
