**INFORMATION NIGHT**

This year, we are excited to bring The Resilience Project into our school community and implement their wellbeing curriculum throughout our classrooms.

Current research tell us:

- 1 in 4 adolescents have a mental illness
- 1 in 7 primary school students have a mental illness
- 1 in 5 adults will experience mental ill-health throughout the year
- 65% of adolescents do not seek help for mental illness.

During this information session, we will cover:

- What gratitude, empathy and mindfulness are
- Why resilience and wellbeing is important
- What the program looks like in the classroom and what students do
- How parents/carers can participate in the program at home

Please join us for a parent information session:

**Tuesday 17th May at 7pm**

**Central Learning Space**

Please RSVP to Belinda Joy

[belinda.joy@education.vic.gov.au](mailto:belinda.joy@education.vic.gov.au)

**Assembly**

Assembly tomorrow will be at 2.50pm.

If you are requiring to pick up your child early on a Friday you need to do so before assembly starts, by 2.45pm. We will not be interrupting assembly to retrieve children.

Weather permitting assembly will be outside, if not it will be in the Central Learning Space.

**Archer Edwards** -Thanks Archer for the assistance you gave to Mr. Egan, putting the chicken coop together. The chickens love their new home! great work!

# Principal's Report

NAPLAN has started this week for students in grades 3 and 5. This means that our regular timetables for the week have been adjusted.

THANK YOU to the Drysdale family for donating a chicken shed to our school. Part of our chicken coop needed replacing and the new shed is a very welcome addition. THANK YOU to Mick, my husband, for the two days he spent at school reinforcing the new shed with fox proof wire, and attaching it to our existing shed and pulling the old part down. It was a massive job, and our chickens are now enjoying their new home.

Congratulations to Jenson Mahoney on his achievement in completing the Mothers' Day Classic on Sunday to raise money for breast cancer. Jenson did the 4 km walk and raised \$600 –

WOW!!!! Well done Jenson!

Don't forget that we are hosting a parent information session about The Resilience Project on Tuesday evening, 17th May at 7.00pm. This will give parents and carers an opportunity to find out more about this program and the work we are doing with our students.

Inter school sport is on again tomorrow and we are competing against Kinglake Primary School. Teams competing are rounders, t-ball and netball. As Kinglake do not have a football team, our footballers will have a practice match at school. Family members are most welcome to come along and cheer us on!

The inter-school cross country will be held on Wednesday 18th May at Yarrambat Park. Our students have been training really hard for this on Tuesdays and Thursdays. Students participating in this event WILL NOT be able to catch the bus in the morning to school on this day as we are leaving at 8.45am. Parents and family members are welcome to join us!

Thank you everyone, for your support!

Please stay safe! Be kind!

## This week's SWPBS Value is Resilience.

Students have been learning about the Zones of Regulation, and the way our body feels and behaves when we experience different emotions. This is otherwise known as 'Self-Regulation' (the ability to control your own behaviour).

Classes have been participating in activities and discussions designed to help students recognise when they are in each of the different Zones, and how they feel during each zone. Students have also been brainstorming effective strategies to help them bounce back to the 'green zone' quickly.

You can help support your child/ren with this by using the 'Zones of Regulation' language at home to model how to regulate your own behaviours, and reinforce the use of 'regulating strategies', when we move out of the 'green zone'.

At Wallan Secondary  
We are  
**responsible,  
respectful and  
resilient learners.**

We are very proud of the achievements and personal qualities of our students.  
We engage students in a process of developing their goals and aspirations throughout their secondary school experience and involve them in programs and activities which help them to build their ideas of what is possible for their future.  
Our strong VCE and VCAL programs together with targeted pathway counselling are exemplified by our student outcomes.  
Wallan Secondary College offers our prospective Year 7 students an engaging curriculum, BYOD program and a College Scholarship program that seeks to recognise and reward the efforts of dedicated and diligent students.

**Evening Tour** | Discover how your child (and you) can share in the lifetime benefits of a Wallan Secondary College education.

An evening for prospective parents of Year 7 students will be held at the College on Thursday 12th May 2022 commencing at 5:00pm and another at 5:45pm in our Junior School Building.

Parents and Students unable to attend our scheduled tours are warmly invited to contact 03 5783 0300 to arrange a suitable alternative time and day to tour the College with Mr Andrew Pizaro (Middle School Assistant Principal).

**Female players born between 2003-2014.**  
**Wallan Basketball needs you!**

Our girls program at Wallan is seeking new families to come and join our program. Our junior domestic program is played on Saturdays over term 2 & 3. Players will be placed on a team with a coach and given a short weekly training session before their game. The Domestic league is a great winter sport and the perfect spot for beginners looking to start their basketball journey.

**50% discount**  
off registration fees for the upcoming season to new families to the club.

**25% discount**  
for all current players who refer a new player to the club when the register for next season.
