Soft Toy Donations

Kai would love to take some soft toy donations to Sumatra next school holidays.

The bag can be found in the office if you have a donation.

Assembly

Assembly tomorrow will be at 2.50pm.

If you are requiring to pick up your child early on a Friday you need to do so before assembly starts, by 2.45pm. We will not be interrupting assembly to retrieve children.

Weather permitting assembly will be outside, if not it will be in the Central Learning Space.

Weekly Awards

Student of the Week Awards will be presented to:

Ruby Shinn-Mahony for continuing to extend your learning in maths and always asking for more tasks. Love your attitude Ruby!

Ivy Hutchinson for using her growth mindset when approaching new tasks in maths this week, keep up the 5 star work Ivy!

Lylah Hill for working incredibly hard and staying focused with her addition and subtraction work in math. You should be super proud of yourself Lylah!

Samuel DiClemente for cleaning up after yourself and keeping our classroom tidy. Thanks for being so responsible, Samuel.

Izacc Newlyn for working hard in all tasks this week. Thanks Izacc!

Bella Hardwick for the outstanding effort she puts into her learning every single day. Thanks Bella!

Kai Roarty for following adult instructions and making good choices in and out of the classroom. Keep up the great work Kai!

Madison DePaoli for being a great helper and welcoming different people into our classroom. Thank you Madi!

Values Awards will be presented to:

Arabella Warner for coming to school with an enthusiastic attitude and always trying to set things right. Well done Arabella!

Tilly Davis for being the caring student that you are! You always try and set things right and you are a great classmate! Well done Tilly!

Maya Kesic for trying to find the best solution for everyone when problems pop up. Great job, Maya.

Nate Kirchhoff for regaining his focus after getting distracted. Well done Nate!

Gus Williams for taking initiative to speak with teachers to help solve problems between friends. Showing great responsibility Angus, keep it up!

Finn Edwards for helping someone after accidentally tripping them. That is very kind and responsible of you, Finn. Well done!

Lucian Elmaz for showing responsibility by using his learning time very well. Good on you Luc!

Benji Di Clemente for making responsible choices and moving away from distractions in the classroom. Well done Benji!

Principal's Report

It has been a busy week at UPPS this week. Congratulations to Oscar, Alex, Logan W, Elise, Ruby S-M, Ruby A, Olivia C and Maks who are off next Wednesday to Cross Country at Bundoora. Well done to Isla, Anna and Jude who were named as emergencies. We wish these students all the best next week and can't wait to hear about their race.

Today is National Sorry Day, students learnt about the significance of this day. They remembered and acknowledged the mistreatment of Aboriginal and Torres Strait Islander people who were forcibly removed from their families and communities. Next week is National Reconciliation Week. The theme this year is, Be Brave Make Change. This is to challenge us all to be brave and tackle the unfinished business of reconciliation so we can make change for the benefit of all Australians.

Tomorrow looks to be a busy day. Interschool sports is back on tomorrow and students will be off to Middle Kinglake. Tomorrow students will be participating in a mindfulness morning run by the Junior School Council. Mindfulness is about being in the present moment. Thousands of studies have proven the benefits of mindfulness such as reduced stress, reduced rumination, increased memory, increased cognitive function and physical health benefits through improved immunity. It builds a sense of clarity and calm, and can be practised through breathing exercises, meditation and paying attention to feelings and senses.

Rapid antigen testing

Free rapid antigen tests will continue to be available for all staff and students in Victorian schools during Term 2, 2022.

Schools will continue to be provided with the same weekly quantity of rapid antigen test kits.

It is recommended that rapid antigen tests are used by students and staff when symptomatic. Rapid antigen tests are also required to be used for five days if a student or staff member is an identified close contact of a confirmed case, and they are attending or working at a school onsite.

If you would like tests, please contact the office and we can send them home with your child, or pop in and grab some.

Parent Payments 2022

Quite a number of parents have asked to be invoiced for the Parent Payment this year.

Total being \$120 per student.

As this is a voluntary contribution, we are unable to send out invoices for this as per Department Policy

We welcome your contribution which pays for vital education items for your child. Please see below for details

If you require any further information please do not hesitate to contact Sue or Gail in the office

Curriculum Contributions - items and activities that students use, or participate in, to access the Curriculum	Amount
CURRICULUM CONTRIBUTIONS <ul style="list-style-type: none"> Classroom consumables, materials & equipment Printing and photocopying of worksheets and learning materials ICT Devices – provision of devices from the shared classroom sets Online subscriptions Essential Assessment Digital Online Learning Programs 	\$70.00
Other Contributions - for non-curriculum items and activities	Amount
OTHER CONTRIBUTIONS <ul style="list-style-type: none"> Student wellbeing programs First aid equipment School grounds maintenance and improvements Sporting equipment 	\$50.00

Payments to the office

Please make sure that any cash payments are clearly labelled and secured in an envelope and you do not combine different notes and payments in the one envelope as this can cause things to go missing. Correct money must be supplied, we can not make change.

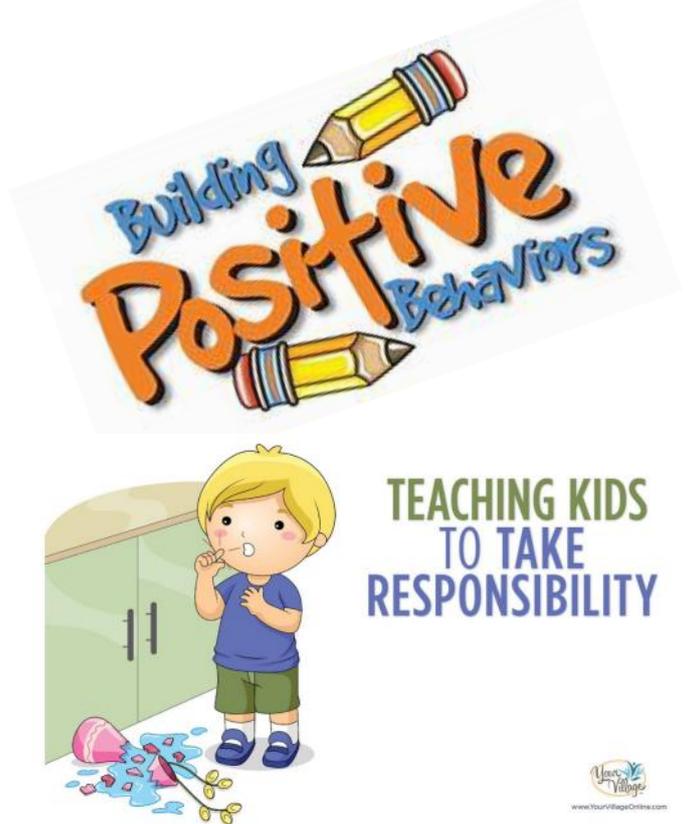

Make sure that excursion notes are separated from FAF and lunch orders.

Thank you

This week's SWPBS Value is Responsibility.

What is responsibility? We have a few different ways that we talk about responsibility. There's being responsible, taking responsibility, acting responsibly, and having responsibilities. In simple words, responsibility is about doing the things we are supposed to do, and accepting the positive or negative outcomes of our actions.

To understand why responsibility is important, think about what life would be like if people don't act responsibly. If no one does what they say they will do, how can anyone trust each other? If no one is responsible about cleaning up after themselves how could we live in a healthy environment? If parents aren't responsible for their kids, and kids aren't responsible with their chores or homework... What would happen? What if other kids at the park weren't responsible and played in a dangerous way?

Students discussed the possible answers to these questions to further develop their understanding of why responsibility is important and what can be done to make up for it if they make a poor choice.

A Window into 1/2K

This term we have been learning all about the seven different continents. This week, we learnt about Europe. Europe is famous for its amazing landmarks, but also its amazing museums. These are full of artworks by wonderful European artists. One of these is Claude Monet. He broke the trend of painting famous people, and using dull colours. Instead, he chose to use bright colours and paint things that made him happy. For example, his beautiful garden. We had lots of fun drawing our own versions.
