District Cross Country

Congratulations to the Cross Country team, everyone had a great day and raced well at Yarrambat Park yesterday.

Three students will progress through to the next round. Great effort—Chase (8th), Archie (3rd) and Emily (1st)

Smart Watches at School

An increasing number of students are wearing smart watches to school. These are classed the same as mobile phones by DET and must be handed in at the office on arrival to school.

There is no need for students to be wearing them in class.

Thank you

Please keep permission forms and FAF forms separate.

Thank you

Late Arrivals, Early Departures and Visitors

All students **must** be signed in by an **adult** if they are arriving after 9am and leaving before 3.15pm.

You can also call the office so we can make sure your child makes it to class safely, if you do not want to come into the school building.

Any student who is not signed in late by an adult at the office, will receive an "unexplained absence" text via Sentral that needs to be acknowledged by their parent/guardian.

All Early Departures and Late Arrivals can be arranged via the office.

All Visitors to the school must sign the WHITE visitors book

The book can be found on the reception desk.

Please use Classroom Doors to enter and exit the main building.

The office can be a very busy place during drop off and pick up.

We ask that all students enter and exit their classrooms through their external classroom doors and not through the office and the central learning space.

This is particularly important on days we have the Central Learning Space set up for activities like the cooking program. Thank you for your cooperation.

150th Birthday Memorabilia

We have 150th coffee mugs and drink coolers for sale at the office for those who didn't get a chance to purchase on Friday night.

Mugs \$15
Drink Coolers \$10

School-wide Positive Behaviour

The **ZONES** of Regulation™

BLUE ZONE Sad Sick Tired Bored Moving Slowly	GREEN ZONE Happy Calm Feeling Okay Focused Relaxed	YELLOW ZONE Frustrated Worried Silly/Wiggly Excited Loss of Some Control	RED ZONE Mad/Angry Terrified Elated/Ecstatic Devastated Out of Control

This week's SWPBS Value is Resilience.

Students have been learning about the Zones of Regulation, and the way our body feels and behaves when we experience different emotions. This is otherwise known as 'Self-Regulation' (the ability to control your own behaviour).

Classes have been participating in activities and discussions designed to help students recognise when they are in each of the different Zones, and how they feel during each zone.

Students have also been brainstorming effective strategies to help them bounce back to the 'green zone' quickly.

You can help support your child/ren with this by using the 'Zones of Regulation' language at home to model how to regulate your own behaviours, and reinforce the use of 'regulating strategies', when we move out of the 'green zone'.
